Attorney's Docket No. 5470-276

TECHNOLOGY CENTER R2700

PATENT

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

In re: MacDonald et al.

Serial No.: 10/069,305

Filed: June 6, 2002

For: *Antibody Dependent Enhancement (ADE) of Alphavirus Infection*

Confirmation No.: 1963

Group Art Unit: 3761

Date: November 7, 2002

Commissioner for Patents

Washington, DC 20231

INFORMATION DISCLOSURE STATEMENT

Sir:

Attached is a form PTO-1449, together with a copy of the identified document(s). This Information Disclosure Statement is submitted in accordance with 37 C.F.R. § 1.97(b), within three months of the filing date of the above-referenced application or before the mailing of a first Office Action on the merits, whichever event occurs last. Accordingly, no fee is required. The Commissioner is authorized to charge any additional fee, or credit any refund, to our Deposit Account No. 50-0220.

Respectfully submitted,

Karen A. Magri

Registration No. 41,965

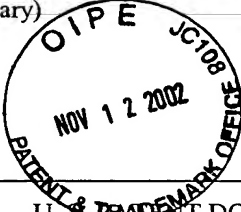

20792

PATENT TRADEMARK OFFICE

Certificate of Mailing under 37 CFR 1.8

I hereby certify that this correspondence is being deposited with the United States Postal Service with sufficient postage as first class mail in an envelope addressed to: Commissioner for Patents, Washington, DC 20231 on November 7, 2002.

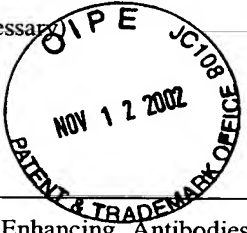

Clara R. Beard
